2025-26 Integrated Healthcare Management - BAS Proficiency Courses

The following is a list of courses that meet the Proficiency Requirements for the Integrated Healthcare Management (IHCM-BAS) degree program. A combined total of 60 credits from the classes listed below, or an approved substitution, will be needed to graduate. If you completed a prior version of a course and the course code has now changed, the prior version will also be accepted as proficiency. Equivalent proficiency courses from other institutions and degree programs may be determined through the transcript evaluation process and/or meeting with the IHCM BAS Program Manager.
