Associate of Arts Degree Program Requirements 2011-2012

Student Name _____
Student ID _____

Program Description The Associate of Arts (AA) degree consists of **90** quarter credits earned in General Requirements, Distribution Requirements and Electives. The public community colleges and the four-year colleges and universities of the State of Washington have an established direct transfer agreement. That agreement allows students who hold the AA degree to transfer at least 90 quarter credits (60 semester credits) to four-year institutions for the purpose of satisfying most or all of the general education requirements of the receiving institution. For more information about the AA Degree and transferring to a 4-year college visit <http://transferdegrees.edcc.edu>

Degree Outcomes. Outcomes for Edmonds Community College degrees and certificates can be found in the online college catalog at the bottom of each degree or certificate. To find specific outcomes, click on the degree or certificate from the program list in the online catalog at <http://catalog.edcc.edu>.

Common Course Numbering Changes Please refers to www.edcc.edu/ccn for more information.

Credit/Grade Requirements Students are required to maintain a minimum cumulative grade point average of at least 2.0 in all college-level courses and earn at least 30 college-level (100 level or above) credits at Edmonds Community College.

Intermediate Algebra Proficiency This requirement may be satisfied by completion of high school mathematics through second year algebra, completion of MATH 090, the sequence MATH 091 and MATH 092 or MATH 095. NOTE: High school transcripts are not used to determine placement into courses which have an intermediate algebra prerequisite.

Cultural Diversity Students pursuing an AA degree must meet the 5-credit Cultural Diversity requirement by completing courses marked as “:CD” on the requirement sheet and/or “Meets Cultural Diversity Requirement” in the quarterly class schedule. Those courses may also be used to fulfill other requirements of the degree.

Students Are Advised To

- Consult with a faculty adviser quarterly. If transferring to a four-year institution, you should consult with the appropriate department at the intended transfer school for entrance requirements. For more information or to schedule an advising appointment call 425-640-1458
- Review the college catalog for required course prerequisites and include these in schedule planning
- At least three quarters before you plan to graduate, contact any college(s) where you have earned credits and have your official transcript(s) sent to Edmonds Community College
- Submit an “Evaluation Request—Transfer Credits” form (available in Enrollment Services) to activate the process of transferring credits to Edmonds Community College

Graduation Application A completed Graduation Application form must be submitted to Enrollment Services by the 10th day of the quarter in which the student expects to graduate. Forms are available at Enrollment Services located in Lynnwood Hall, or online at www.edcc.edu/credentials/

Quantitative or Symbolic Reasoning

- Students must complete either a quantitative reasoning course (MATH &107, 140, &141, &142, &146, &148, &151; CS 115, &131; CHEM &141/ &151; PHYS &121/&131, &221/&231; SOC 200), OR a symbolic reasoning course (PHIL &106)

Distribution Requirements

- Students must select from at least three **(3)** departments/disciplines within this distribution area.
- A maximum of five **(5)** credits in Performance/Skills courses may be applied to the Humanities distribution requirement. (Performance/Skills courses are listed under Humanities on the Distribution Requirements List.)
- A maximum of five **(5)** credits in foreign language at the 100 level may be applied to the Humanities distribution requirement.
- Students must select from at least two **(2)** departments/disciplines within this distribution area.

At least ten **(10)** credits of Natural Science classes are required, five **(5)** of which must be a laboratory science. The laboratory courses are underlined in the Natural Sciences and Mathematics distribution list. (Computer Science, Mathematics, and Philosophy classes are not Natural Science classes.)
