Ornamental Horticulture Restoration Horticulture Associate of Technical Arts Degree Program Requirements 2011-2012

Student Name _____
Student ID _____

Program Description Professionals in this field use their training to apply innovative revegetation techniques to help restore disturbed and degraded land. They are also trained to use landscaping techniques such as green roof, bioswale, and urban forestry solutions to mitigate the effects of urbanization. Restoration Horticulture: preserving our planet with plants.

Degree Outcomes Outcomes for Edmonds Community College degrees and certificates can be found in the online college catalog at the bottom of each degree or certificate. To find specific outcomes, click on the degree or certificate from the program list in the online catalog at <http://catalog.edcc.edu>

Common Course Numbering Changes Please refer to www.edcc.edu/ccn for more information.

Credit/Grade Requirements This ATA degree requires successful completion of a minimum of **95** credits as outlined. A minimum of 30 credits or one-third of the required credits, whichever is less, must be earned at Edmonds Community College. Students are required to maintain a minimum cumulative grade point average of 2.0 in all college-level courses.

General Education/Related Instruction Requirements

Students who complete degrees or certificates of 45 credits or more are required to demonstrate learning in the following general education/related instruction areas: communications, computation/quantitative skills, and human relations/group interaction.

Cultural Diversity Edmonds Community College requires that students earning a degree or certificate of 45 credits or more meet the Cultural Diversity Requirement. Courses that satisfy this requirement are marked as “:CD” on the requirement sheet and/or “Meets Cultural Diversity Requirement” in the quarterly class schedule.

Previously Earned Credit To transfer horticulture or other college credits, students must request an evaluation of their college transcripts through the Enrollment Services office. This should be done during your first quarter at EdCC. Students wishing to seek a waiver of credit requirements should obtain a *Petition for Waiver* form from the Enrollment Services office. Other curriculum modifications based on work or other special experiences should be discussed with your horticulture adviser.

Students are advised to

- Contact Enrollment Services to make an advising appointment and take the ACCUPLACER tests. Placement into BRDGE 093 or higher, as well as MATH 080 or higher is strongly recommended and may be required for some courses
- Plan their schedule several quarters in advance in order to accommodate courses that are offered only once or twice a year, or those that may alternate between day and evening offerings from year to year
- Review the college catalog for required course prerequisites and include these in schedule planning
- Meet quarterly with adviser from horticulture faculty to assure graduation as planned

Graduation Application A completed Graduation Application form must be submitted to Enrollment Services by the 10th day of the quarter in which the student expects to graduate. Forms are available at Enrollment Services located in Lynnwood Hall, or online at www.edcc.edu/credentials/.
