Transfer to Bachelors of Applied Sciences at South Seattle Community College
Associate in Applied Science-T Degree Program Requirements
2011-2012

Student Name: _____

Student ID: _____

Program Description The Associate of Applied Science-T Degree is a program designed for students entering the Hospitality industry or changing careers and who are interested in earning a Bachelor's Degree in Hospitality Management.

This Associate in Applied Science-T (AAS-T) is a **116** credit professional technical degree with a core of general education courses commonly accepted in transfer (25 credits) as well as professional technical courses (69 credits). This degree is accepted at South Seattle Community college as a direct transfer degree into their Bachelor's of Applied Science (BAS) Degree in Hospitality Management. More information about the BAS at South Seattle can be found at:
www.southseattle.edu/programs/bas/.

Students seeking to transfer to degree programs other than those specifically designed for the AAS-T should consider the Associate of Arts or the Associate of Science degree, which are specifically designed for transfer to four-year colleges and universities.

Degree Outcomes Outcomes for Edmonds Community College degrees and certificates can be found in the online college catalog at the bottom of each degree or certificate. To find specific outcomes, click on the degree or certificate from the program list in the online catalog at http://catalog.edcc.edu.

Common Course Numbering Changes Please refer to www.edcc.edu/ccn for more information.

Credit/Grade Requirements The AAS-T degree is awarded upon completion of **116** credits as outlined. A minimum of 30 credits or one-third of the required credits, whichever is less, must be earned at Edmonds Community College. Students are required to maintain a minimum cumulative grade point average of 2.0 in all college-level courses as well as a minimum grade of 2.5 in all hospitality classes.

General Education/Related Instruction Requirements Students who complete degrees or certificates of 45 credits or more are required to demonstrate learning in the following general education/related instruction areas: communications, computation/quantitative skills, and human relations/group interaction.

Cultural Diversity Edmonds Community College requires that students earning a degree or certificate of 45 credits or more meet the Cultural Diversity Requirement. Courses that satisfy this requirement are marked as ":CD" on the requirement sheet and/or "Meets Cultural Diversity Requirement" in the quarterly class schedule.

Transfer of Credit Non-Culinary Arts credits will transfer from any accredited college to satisfy all non-culinary arts requirements. To transfer students must request an evaluation of their college transcripts through the college registration office. This should be done during the student's first quarter at the college.

Students are Advised to
- Consult with a Culinary Arts faculty adviser quarterly for course selection and completion of degree requirements and plan their schedule several quarters in advance. *Note: All decisions on selection of courses are ultimately the responsibility of the student*
- Review the college catalog for required course prerequisites and include these in schedule planning
- All students who intend to transfer should meet with an adviser of the college they plan to transfer to review exact and specific admission requirements

Graduation Application A completed Graduation Application form must be submitted to Enrollment Services by the 10th day of the quarter in which the student expects to graduate. Forms are available at Enrollment Services located in Lynnwood Hall, or online at www.edcc.edu/credentials/.
