Fire Officer Degree Associate of Applied Science-T Program Requirements 2011-2012

Student Name: _____
Student ID: _____

Program Description Edmonds Community College has adopted the Washington State Fire Service Education Association Fire Officer AAS-T Degree for delivery to fire service personnel. The degree's ultimate goal is to provide a higher education program that enables fire departments, in cooperation with EdCC, to develop and support technically competent fire officers highly skilled in their craft and technical arts. This degree articulates to Eastern Oregon University, Western Oregon University, Central Washington's ITAM degree, City University and University of Phoenix.

Degree Outcomes Outcomes for Edmonds Community College degrees and certificates can be found in the online college catalog at the bottom of each degree or certificate. To find specific outcomes, click on the degree or certificate from the program list in the online catalog at <http://catalog.edcc.edu>.

Common Course Numbering Changes Please refer to www.edcc.edu/ccn for more information.

Credit/Grade Requirements This degree requires successful completion of a minimum of **90** credits as outlined. A minimum of 30 credits or one-third of the required credits, whichever is less, must be earned at Edmonds Community College. Students are required to maintain a minimum cumulative grade point average of 2.0 in all college-level courses.

General Education/Related Instruction Requirements Students who complete degrees or certificates of 45 credits or more are required to demonstrate learning in the following general education/related instruction areas: communications, computation/quantitative skills, and human relations/group interaction.

Cultural Diversity Edmonds Community College requires that students earning a degree or certificate of 45 credits or more meet the Cultural Diversity Requirement. Courses that satisfy this requirement are marked as "CD" on the requirement sheet and/or "Meets Cultural Diversity Requirement" in the quarterly class schedule.

Students are advised to

- Plan their schedule several quarters in advance in order to accommodate courses that are offered only once or twice a year
- Review the college catalog for required course prerequisites and include these in schedule planning
- Communicate with the adviser

Graduation Application A completed Graduation Application form must be submitted to Enrollment Services by the 10th day of the quarter in which the student expects to graduate. Forms are available at Enrollment Services located in Lynnwood Hall, or online at www.edcc.edu/credentials/paperwork.php

Note Elective courses may be selected with the approval of an FOD program adviser

Other related fire service training may be accepted based upon appropriate documentation

Work-Based Learning courses are not required as part of the degree program, however, they are required for IFSAC Certification.
