Emergency Management Certificate Program Requirements 2011-2012

Student Name: _____

Student ID: _____

Program Description The Emergency Management Certificate was developed due to a demand for trained professionals in this multi-discipline and comprehensive field. This certificate program provides education and training for individuals currently working in the fields of business operations, private sector, security, facilities, emergency management, risk or crisis management and for students desiring to work in private sector business operations, emergency planning, preparedness, program analysis or management for community, voluntary agencies, educational, healthcare institutions or other entities that have a role in disaster response and recovery including local, state, tribal & federal government.

Degree Outcomes Outcomes for Edmonds Community College degrees and certificates can be found in the online college catalog at the bottom of each degree or certificate. To find specific outcomes, click on the degree or certificate from the program list in the online catalog at <http://catalog.edcc.edu>.

Common Course Numbering Changes Please refer to www.edcc.edu/ccn for more information.

Credit/Grade Requirements This Certificate is awarded upon completion of a minimum of **44** credits in Core Requirements and Required Electives outlined on the program requirement sheet. A minimum of 30 credits or one-third of the required credits, whichever is less, must be earned at Edmonds Community College. Students are required to maintain a minimum cumulative grade point average of 2.0 in all college-level courses.

Students are Advised to

- Consult with a faculty adviser quarterly for course selection and completion of certificate requirements and plan their schedule several quarters in advance
Note *All decisions on selection of courses are ultimately the responsibility of the student*
- Review the college catalog for required course prerequisites and include these in schedule planning
- All students who intend to transfer should meet with an adviser of the college they plan to transfer to review exact and specific admission requirements

Graduation Application A completed Graduation Application form must be submitted to Enrollment Services by the 10th day of the quarter in which the student expects to graduate. Forms are available at Enrollment Services located in Lynnwood Hall.
