

2026-2027 Child, Youth, and Family Studies - BAS Proficiency Courses

The following is a list of courses that meet the Proficiency Requirements for the Child, Youth, and Family Studies - Bachelor of Applied Science (CYFS-BAS) degree program. A combined total of 60 credits from the classes listed below, or an approved substitution, will be needed to graduate. A maximum total of 18 credits of FLED coursework can be accepted as proficiency. If you completed a prior version of a course and the course code has now changed, the prior version will also be accepted as proficiency. The same is true for courses previously listed on prior versions of this document. Equivalent proficiency courses from other institutions and degree programs may be determined through the transcript evaluation process and/or meeting with the CYFS-BAS Program Manager.
